ARTICLE IV: GRIEVANCE PROCEDURE

A. Definitions

A grievance is a claim by an employee or a group of employees or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.

2. Aggrieved Person

An "aggrieved person" is the person or persons or the employee's representative making the complaint.

B. Purpose

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement in writing. Grievances must be filed at the formal level within ten (10) working days of the event giving rise to the grievance.

2. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) calendar days thereafter.

3. Level One - Principal or Immediate Supervisor (Informal)
An employee with a grievance shall first discuss it orally with the employee's principal or immediate supervisor, either directly or through a designated representative with the objective of resolving the matter informally.
4. Level Two - Principal (Formal)
If, as a result of the informal discussion with the principal or immediate supervisor at Level One, a grievance still exists, the aggrieved person may invoke the formal grievance through use of the attached form. Said form shall be available in the superintendent's office and shall be signed by the grievant and/or the employee's representative. A copy of the grievance form shall be delivered to the appropriate principal or immediate supervisor. The appropriate principal or immediate supervisor shall indicate the disposition of the grievance in writing within ten (10) school days of the presentation of the formal grievance and shall furnish a copy thereof to the aggrieved party.

6. Level Four - Arbitration

If the aggrieved person is not satisfied with the disposition of the grievance by the superintendent, or if no disposition has been made within the time limits, the aggrieved person may submit the grievance to binding arbitration by giving written notice to the superintendent within five (5) school days from the date of the level three response.
 - b. Within ten (10) school days after written notice to the superintendent of submission to arbitration, the superintendent and the aggrieved person shall attempt to agree upon a mutually acceptable arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB) by either party. The list shall consist of five arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) school days, and the other party shall have one (1) additional school day to remove the second name. The respective parties shall have one (1) school day each to remove the next two names. The party having the right to remove the first name shall have the right to remove the third name and the party having the

right to remove the second name shall have the right to remove the fourth name; the person whose name remains shall be the arbitrator.

The arbitrator's decision shall be in writing and shall set forth findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator, in his/her opinion, shall not amend, modify, nullify, ignore, or add to the provisions of the bargaining agreement. The arbitrator's authority shall be strictly limited to deciding only the issue or issues presented to the arbitrator in writing by the school district and the association. The arbitrator's decision must be based solely and only upon the arbitrator's interpretation of the meaning or application of the express, relevant language of the agreement. The decision of the arbitrator shall be submitted to the superintendent and the aggrieved person, and shall be final and binding on both parties.

B. Voluntary Transfer Procedures

1. The superintendent shall post in all school buildings a list of the vacancies which occur during the school year and for the following school year upon knowledge of vacancies. The superintendent shall notify by mail all employees eligible for voluntary transfer of all vacancies which occur during the months school is not in session. Employees shall sign an official document indicating their area (s) of certification no later than the last work day of each school year. Employees who acquire additional endorsements after that time shall notify the school district of the additional areas of certification.
2. Employees under continuing contract who desire a change in grade and/or subject assignment for the next school year or who desire to transfer to another building for the next school year shall file a written statement of such desire with the superintendent not later than May 1. Such statement shall include the grade and/or subject to which the employee desires to be assigned and/or the school building to which the employee desires to be transferred. This voluntary transfer procedure is not available for transfer to or from extra-curricular duties or for transfers by employees during their first year of statutory probation. Employees who desire such a change for any posted vacancy for the current or next school year shall also have ten (10) school days after the posting of the initial vacancy to file their written statement for the posted vacancy and all resulting vacancies. All written statements for transfer on file prior to the beginning of any interview process for a vacancy will be considered before consideration of outside applicants.
An employee requesting the transfer to any vacancy cannot be denied such transfer arbitrarily, capriciously, or without basis in fact. Any employee who is denied the requested transfer shall be notified in writing of the reasons for the denial as soon as reasonably possible. If more than one employee with certification and qualification has applied for the same position, the determination as to which employee shall receive the position shall be made on the basis of seniority.
3. Notice of transfer shall be given to employees as soon as practical.
4. A voluntary transfer shall be granted, even when no vacancies exist, if two or more employees, with the approval of the building principal, agree to an exchange of grade and/or subject assignment. In the event a more senior employee has on file, pursuant to paragraph 2 of this section, a request to fill either of the positions involved in the change, said change will become effective only if the more senior employee waives all rights to the position in question. Waiver of rights shall be for the particular instance in question and shall not remove the more senior employee from consideration should a vacancy occur at some later date.
Any change granted under this provision shall be permanent unless all parties, including the building principal, agree in writing, prior to initiation of the change, to a specific duration or to an automatic review. Copies of any written stipulations of

duration or review shall be maintained on file and furnished to each of the parties. If there is any disagreement among the parties, including the building principal, to any conditions of the transfer, all parties will remain in their original capacity.

5. Under no circumstance shall the provisions of this article be applied to individuals whose contracts are not covered by the continuing contract provisions of the law. Examples of excluded employment would include, but not be limited to, employees hired for short term summer school programs or long term substitute employees.

C. Involuntary Transfer Procedures

1. Any involuntary reassignment or transfer shall be made only after a meeting between the employee involved and the superintendent or principal at which time the employee shall be notified of the reasons for the impending transfer or reassignment.
2. In the event that an employee objects at this meeting to the reassignment or transfer, the Association will, upon request of such employee, send a representative with the employee to meet with the superintendent or the superintendent's designee to discuss the reassignment or transfer. If grievance is sought it shall be initiated at the appropriate level.
3. Notice of involuntary transfer shall be given to employees no later than June 30.
4. All involuntary transfers shall be made without regard to age, race, creed, color, religion, nationality, sex, or marital status.

ARTICLE XVIII: SHARED POSITION

- A. A job share agreement constituting a shared arrangement of a full time position may be allowed when two appropriately certified employees make request, in writing, not later than May 1 to the building principal and the superintendent. If approved by the superintendent, said arrangement shall be considered one full time position, with full time benefits divided proportionately between the individuals.

1. Requests shall include the reasons for seeking the shared time.
2. The original request and a record of any staff reduction(s) occurring during the term of the agreement shall be maintained in the personnel files of the employees.

- B. The arrangement shall be ended when one or both individuals involved in a shared position wishes to end that arrangement, and notifies the superintendent in writing by April 1 for the following school year. An attempt will be made to assign the employees to their former positions or said employee(s) shall be assigned a similar position(s) mutually agreed upon.

1. Voluntary transfer or another job share may be undertaken, if desired and timelines permit. Any second job share shall require the definition of the position to which the employee will return, if possible, at the conclusion of the job share.
2. In the event that staff reduction was a factor in establishing the shared arrangement, or that subsequent staff reduction has eliminated one of the original positions and no position can be mutually agreed upon, the staff reduction provisions of this contract shall be applied.

- C. Voluntary transfer to another position, after April 1, shall be allowed only if the remaining employee can assume the shared position full time, without gaining advantage over other more senior staff in relation to the voluntary transfer provisions of this contract. It is understood that potential gain of advantage cannot exist unless a more senior staff member has on file a statement of desire to transfer into the position being shared, should it become vacant.

ARTICLE XIX: REDUCTION OF CERTIFIED PROFESSIONAL STAFF

The following shall govern and control the rights of the parties hereto in the event of reduction in or elimination of an employees individual contract, due to the reduction or elimination of a teaching position.

A. Coverage

All employees (all members of the bargaining unit) under this Agreement.

B. Employees Involved

1. The Board agrees that attrition due to retirement or resignation will be first considered. When a retirement or resignation is discovered by the District after RIF notices are given, and the resignation or retirement satisfies the need for staff reduction, a RIF notice will be rescinded to account for that resignation or retirement through the last day of the individual contract year in which RIF notices are given. Thereafter, the same principle will apply but be treated as a recall. Such rescission or recall shall be subject to paragraph D - Seniority. In all instances, Article XIX B.1. (staff reduction) shall take precedence over Article XVII B. (Voluntary Transfer).
2. Employees with emergency and/or conditional certifications, or conditional endorsements, unless needed to maintain an existing program, shall receive R.I.F. notices before any fully certified employees, unless no fully certified employee is available to fill the position. (For instance, an employee earning an endorsement for specific learning disability pupils may need to be retained to maintain the program.) Additionally, employees may displace other less senior employees above or below the specific level shown on their certificate only if they are certified and eligible to hold a position, according to Department of Education regulations.
3. In the event that the staff reduction necessary cannot be accomplished by attrition or reduction of employees holding emergency and/or conditional certifications, or conditional endorsements, then employees shall be displaced in the affected grade level/subject matter area, in reverse order of seniority, with the least senior employee, listed under Section D. Seniority being displaced first. Extra-duty assignments shall not be considered part of the position for purposes of staff reduction/layoff.

C. Notice

The superintendent will notify each employee who may possibly be affected by reduction, as outlined in the timelines and procedures of Chapter 279, Code of Iowa (as of 1999, this is April 30). Such notice shall be in writing and contain the same requirements as

the notice set forth in Chapter 279, and a statement of the position(s) to be eliminated or reduced through this action. A copy of the notice delivered to the employee shall be forwarded to the Association. However, the failure of the copy delivery to the Association shall not affect the legality or contract sufficiency of the notice delivered to the employee.

D. Seniority

1. An employee's seniority shall apply in all area(s) of certification.
2. Seniority shall be defined as the number of years of continuous service in the district from the date the employee signed his/her first individual contract. Approved unpaid leaves of absence shall not constitute a break in an employees continuous years of service. Also, approved unpaid leaves of absence will not count toward seniority. If two or more employees have the same seniority date, the relative order of seniority shall be determined by drawing lots. When two or more employees share the same position, the seniority of the position shall be that of the least senior employee in that position for purposes of this Article. No later than September 30 of each school year, the Board will post in all school buildings and deliver to the Association a list showing the seniority of each employee employed by the Board, each employee's areas of certification and endorsement, the contract signature date of the employee's first contract and the dates and duration of any approved unpaid leaves.

E. Displacement Procedure

1. If a position is eliminated, the affected employee shall be allowed to displace any less senior employee in any position for which the affected employee is certified and eligible to hold a position, according to Department of Education regulations.
2. The displaced employee shall then be allowed to displace any less senior employee in any position for which the displaced employee is certified and eligible to hold a position, according to Department of Education regulations. This process shall continue until the displaced employee has no displacement options because of a lack of seniority in areas of certification.

F. Recall

Any employee reduced/laid off wholly or partially in accordance with this Article shall be recalled for a period of one (1) year to any vacancy for which he/she is certified in inverse order of layoff. Notice of Recall shall be given by registered or certified mail to the last address furnished to the Board by the employee. A copy of such Notice of Recall concurrently will be furnished to the Association by personal delivery or ordinary mail. If the Board has not received a response from the employee within ten (10) days after the employee's receipt of the Notice of Recall, the employee will be deemed to have refused the position offered. In that event, or in the event that the employee responds with a refusal of the offered position, all recall rights for the employee under this Article shall terminate, so long as the offer of employment is equivalent in percentage of contract to that held at the time of reduction. If an employee accepts the position of a lesser percentage of contract than held at the time of reduction, additional recall rights under this Article shall continue. However, if notification is undeliverable, the employee will have waived re-employment rights for said vacancy only. The employee will keep the district aware of any changes of address.

G. Benefits

Any accumulated sick leave and designated unused personal leave not used will remain in force upon return to duty. However sick leave and unused personal leave will not accumulate after termination and prior to recall.

H. Resignations

Any employee who resigns upon request for reasons of staff reduction shall be accorded the recall right unless specifically waived by the employee in writing.

I. Change in Qualifications

During the one year period of recall rights, it is the responsibility of the employee desiring re-employment to apprise the administration of the employee's qualifications in other professional categories.

J. Limitations

Under no circumstances shall the provisions of this article be applied to individuals whose contracts are not covered under the continuing contract provisions of the law. Examples of excluded employment would include, but not be limited to, employees hired for short term summer school programs or long term substitute employees.

ARTICLE XX: EMPLOYEE EVALUATION

Periodical Evaluations

The Board shall employ, retain and advance only the most qualified professional personnel on the staff. The results of the evaluations shall be submitted to the superintendent in such manner and at such times as may be determined by the Board and the Superintendent of Schools and in compliance with the law.

A. Purposes of Evaluation

The purpose of employee evaluation is to assure a quality education for the students of this district. To these ends, an evaluation system must provide vital information regarding teaching performance and comply with the law.

1. It must determine if an employee's performance is satisfactory and if the employee should be retained in the school system.
2. It should assist the employee to improve where improvement is needed.

B. Rules for Evaluation

1. Employees new to the school system will be evaluated at least once each of the first two years.
2. All other employees will be evaluated at least once every three years.
3. When an employee is assigned to more than one building, the employee shall be assigned one (1) evaluator.
4. All formal observations shall be conducted no sooner than 3 weeks from the beginning of the school year and no later than two weeks prior to the end of the school year. The observation shall be for a continuous and reasonable length of time and shall be a **minimum** of approximately twenty (20) minutes. No observation shall be conducted the day before or after a day of vacation.

5. The employee and the evaluator shall have a pre-conference at least two (2) work days prior to the formal observation and a post-conference no later than five (5) work days following the formal observation.
6. The evaluator's written observation comments shall be reviewed at the post-conference and shall be signed and dated by both the employee and evaluator. The employee shall be provided a copy of the comments and shall sign as having been given the opportunity to review the comment sheet. This signature does not necessarily mean agreement with the comments.

C. Administrative Procedures and Guidelines

1. Employees new to the evaluation system will be notified of the procedures and instruments of evaluation by the superintendent/designee within 10 work days of the beginning of the school year.
2. Prior to May 15, yearly, the building principal shall submit a written summary of individual evaluation to the Superintendent of Schools. These summaries shall be placed in each employee's personal folder in the central office file. The written summary shall not be submitted to any agency, public or private, without consent of the individual employee.
3. Before the final summary of the individual evaluation by the building principal is presented to the superintendent, the employee shall have been informed of its contents and given an opportunity to make either a written or oral reply to the superintendent.
4. None of the preceding shall preclude an employee or Board of Education's right to act within the legal framework of the Code of Iowa concerning procedures of due process.

D. Personnel File Review

Each employee shall have the right during normal school district hours to review the contents of the employee's personnel file.

ARTICLE XXI: COMPLIANCE CLAUSE

A. Compliance Between Individual Contracts and Comprehensive Agreement

Compliance between individual contracts and the Comprehensive Agreement shall be as provided by law.

B. Separability

If any part of this Agreement is deemed illegal then that part is null and void.

C. Printing Agreement

Copies of this Agreement shall be printed at the expense of The Board. The Agreement shall be presented to all employees now employed or hereafter employed. Additional copies shall be available in the superintendent's office.

D. Duration Period

This Agreement shall be effective as of July 1, 2006 and shall continue in effect through June 30, 2007.
